G. PUBLIC HEARINGS

- G-1 Notice thereof having been published according to law, an affidavit of which publication is on file in the office of the City Clerk, Mayor Nakanishi called for the Public Hearing to consider adopting Resolution to Vacate the Old Beckman Road, from 325 feet to 1,400 feet north of Kettleman Lane.

Public Works Director Prima explained that this action is related to the realignment of Beckman Road near Highway 99 and Kettleman Lane. The eastern alignment was done in conjunction with the development project for the Geweke property. They are currently preparing plans for a new car dealership. Staff will prepare a reimbursement agreement for some of the utility and street work that was done, and then return to Council for approval of an agreement to transfer the property to Geweke. The first step in the process is to abandon the public use of the right-of-way, which is being requested at this time.

In response to Council Members Hitchcock and Land, Mr. Prima confirmed that the City would be retaining easements for utilities, sewer, storm drain, and power lines.
